WORK EXPERIENCE

Innocuous AI	**New York**
Business Analyst Intern	July 2023 – Present

- Researched accelerator programs for the company to attain funding and additional VC connections
- Developed AI insights to further gain traction on the LinkedIn page of the company

LEADERSHIP & MANAGEMENT EXPERIENCE

Upper Canada College International Coding Bowl	**Toronto**
President	*Sept 2021 – April 2023*

- Managed the development of UCC's international Coding Bowl hosting contestants from 58 schools worldwide each year in April.
- Collaborated with DMOJ Competitive Programming Moderators over a 3-month period to align our coding challenges with the International Olympiad of Informatics standards.

Ontario Model United Nations Conference	**Toronto**
Undersecretary General of Communications & Head Chair of UNDP	*June 2021 - April 2023*

- Created and managed crucial conference materials, including the OMUN website, delegate handbook, and social media profiles, catering to over 300 students across Ontario.
- Presided over the United Nations Development Programme committee for 3 days, assessing 50 delegates on their debating, negotiation, and collaboration abilities.

Byte Coders	**Toronto**
Founder & Head Mentor	*Nov 2021 – March 2023*

- Guided multiple cohorts of 25 students from St. Paul's Catholic School in Competitive Programming, conducted a 10-week program in 2021 - 2022 and an 8-week program in 2022 - 2023.
- Trained student mentors on online coding platforms, such as Repl.it, enhancing their ability to provide effective one-on-one tutoring each week.
